

Honorable Mayor and Members of the Hermosa Beach City Council

TENTATIVE FUTURE AGENDA ITEMS

Attached is the current list of tentative future agenda items for Council's information.

The tentative future agenda provides a preliminary preview of topics planned for discussion at upcoming City Council meetings over a specified period, typically the next three months. The items listed in this document are "tentatively" scheduled, meaning they are subject to change and should not be considered final until the official agenda for each meeting is posted. This document is a work in progress and offers a glimpse into the City's priorities and planned discussions, allowing stakeholders to anticipate and prepare for potential topics of interest.

Key Features of a Tentative Future Agenda Document:

1. **Tentative Schedule:** Each agenda item is assigned a tentative date, indicating when it is expected to be discussed. These dates are provisional and may be adjusted based on various factors.
2. **Work in Progress:** The document is continuously updated as new items emerge, priorities shift, or additional information becomes available. This flexibility ensures City Council can address the most pressing issues in a timely manner.
3. **Transparency and Communication:** By publishing a tentative future agenda, the City aims to maintain transparency with residents, businesses, and other stakeholders. It helps the community stay informed about potential topics of discussion and provides an opportunity for public engagement and preparation.
4. **Fluid Scheduling:** The scheduling of agenda items is fluid until the official agenda for a specific City Council meeting is posted. Changes can occur due to various reasons, such as new developments, additional preparatory work required, or changes in workload or priority.
