% Trip Updates Completed

Trip Update Completeness by Day of Week

These charts show the percentage of Scheduled Trips with at least one Trip Update or Vehicle Position message assigned to that trip. Short drops may indicate schedule inaccuracies, missed runs (buses not on schedule), or hardware failures.

Monthly Trip Update Completeness by Line Direction

These charts show the percentage of Scheduled Trips with at least one Trip Update or Vehicle Position message assigned to that trip. Short drops may indicate schedule inaccuracies, missed runs (buses not on schedule), or hardware failures.
