

# Become a Sponsor

Join us in celebrating 15 years of Grades of Green impact by sponsoring Verte, our unforgettable annual gala. Your sponsorship directly supports our mission to empower the next generation of environmental leaders through hands-on education and community action.

Explore our sponsorship packages below and make a lasting difference in creating a cleaner, greener future.

By purchasing ticket(s) or sponsorship through OneCause, you acknowledge that a ticketing fee of 5% per transaction will be added to the total cost at checkout. This fee is charged by the ticketing platform and is not received by Grades of Green.

To avoid ticketing fees, you may choose to contribute by check, wire transfer, or direct stock donation. To arrange an alternative payment method, please contact Executive Director Kelley Le at [lek@gradesofgreen.org](mailto:lek@gradesofgreen.org).
