

OUR MISSION

To educate and empower students to take action and lead environmental change.

LEARN MORE

OUR VISION

A clean and sustainable environment for generations to come.

Grades of Green provides students with mentorship, resources, and hands-on leadership training they need to become the next generation of environmental leaders.

Our free innovative programs enable students to:

- Take action and implement environmental solutions in schools and communities
- Develop leadership, project management, and community building skills
- Earn community service hours and gain college application experience
- Receive one on one mentorship from expert staff in the environmental field

UPLIFT

School District Partnerships
Transform students' lives and communities through school district partnerships
Year-Long Program

LAUNCH

Eco-Lessons
Spark student's sustainable habits to launch school and community change
Year-Long Program
