The screenshot shows the City of Hermosa Beach website. The browser address bar displays hermosabeach.gov/our-government/public-works/projects/street-improvements. The page features a teal navigation bar with links for 'Our Government', 'Our Community', 'Enjoying Hermosa', 'Doing Business', 'Services', and 'I Want To...'. A search bar is located in the top right. On the left, a teal sidebar contains a menu with categories like 'About the City of Hermosa Beach', 'Community & Neighborhood Organizations', 'Hermosa Beach City School District', 'Hermosa Beach Library', 'Stay Connected', 'Volunteer / Get Involved', 'Quick Links', 'Parking Information', 'Public Safety', 'City Projects', 'Capital Improvement Program Projects', 'Development Projects', and 'Street Improvement Projects'. The main content area is titled 'Street Improvement Projects' and includes a breadcrumb trail: 'Our Community » Quick Links » City Projects »'. Below the title, there are options for 'Font Size', 'Share & Bookmark', 'Feedback', and 'Print'. The main heading is 'CIP 105 Annual Street Improvements and CIP 695 Parking Lot A Improvements'. Under 'Project Information', it states: 'This project consists of pavement rehabilitation of streets including paving and striping of approximately 2 miles of roadway. Along with the construction of new curb ramps on the selected streets, improvements include reconstruction of sidewalks to address barriers to accessibility such as areas that are deteriorated, or non-compliant with standards. This project helps further the goal of providing a safer and accessible path for...'. To the right, there are two sections: 'PROJECT CONTACTS' listing 'Annual Street Improvements (CIP 105)' with contact info for Briana Aube, Assistant Engineer, at (310) 318-0229; and 'FAQ' with a link to 'Street Projects - Frequently Asked Questions'.
