NO MEETING JULY 8, 2025 (DARK)

PENDING NEW ITEMS		STATUS / TENTATIVE MEETING DATE <i>(Updated 02/11/25)</i>
Approval of the Municipal Lease Policy <i>Initiated by: Staff Request Jun. 12, 2018</i>	Community Resources Director	Awaiting professional building assessment of the Kiwanis Building, Rotary Building, and Lawn Bowling Club to determine the level of maintenance, repairs, and future upgrades that may be needed and required by the City.
Landscape and Street Lighting District Assessment Adjustment (mail-in election authorization) <i>Initiated by: Council Direction Jul. 9, 2019</i>	Public Works Director	Council approved \$25,000 in the FY 2023-2024 Budget to study the District rates and to consider creating a new supplemental district. The study will seek to address the annual operating deficit, so that no further subsidies from the General Fund or other discretionary funds would be required. The study should include District-related recommendations from the Parks Master Plan, thereby, shifting completion of the study to FY 2024-25. The study is anticipated to take approximately 4 to 6 months to complete pending staff availability. If council agrees to then advance the adjustment, it will need to go to a citywide ballot in compliance with Proposition 218. The earliest ballot would be in November 2026.
Public Records Request Guidelines <i>Initiated by: Staff Request Oct. 14, 2019</i>	City Clerk	In process.
Emergency Services Municipal Code Chapter 2.56 Update	Emergency Management Coordinator	Waiting for State to review proposed language changes
Return to Council to discuss a full ban on tobacco sales and to include all available data related to other communities who have adopted complete bans <i>Initiated by: Council Direction Jan. 28, 2020</i>	Community Development Director	BCHD will connect with Councilmembers over time to determine timing to bring this back.
Consideration of licensing agreement/fees for use of City logo Initiated by: Council Direction Jun. 9, 2020	City Attorney	The City will develop a licensing agreement for commercial uses of the City logo as part of a comprehensive Administrative Memorandum (AM) on City Branding and Logo Use by City Staff. City staff will begin drafting the AM after finalizing the City's style guide and filing its "Intent to Use" trademark application for the City logo with the USPTO. As part of developing a Licensing Agreement for the Commercial Use of the City Logo, staff will establish a process for reviewing and

		handling these requests. This process will likely include the negotiation of royalties and as well as the preparation of a staff report to obtain Council approval to enter into the agreement. Only after the City receives the issuance of a Notice of Allowance from the USPTO can it begin approving applications for commercial uses of the logo.
Parks, Recreation, and Community Resources Advisory Commission Volleyball Court Use Subcommittee was formed to review all aspects of the beach volleyball courts located in the residential area <i>Initiated: 2021</i>	Community Resources Director	The project scope was expanded in late 2022 to include a review of all aspects of beach volleyball courts in the commercial zone, between 10 th and 15 th Street. This includes, but is not limited to, a review of court inventory and placement, best practice research of volleyball court use policies in surrounding cities, court use policy development, review of maintenance practices, and review of court personalization. Staff formed a stakeholder group to work alongside the subcommittee and staff. Staff will complete the review of court inventory and placement, best practice research, and formed a draft court use policy pending review by the subcommittee and stakeholder group in the first half of 2025.

This work will begin on 2/5. Additionally, Metro is preparing the Final EIR to be released in second half of 2025.
Consideration of a Revocation Policy for Parking Permits Related to Short-Term Rental Violations <i>Initiated by: Council Direction April 9, 2024</i>	Community Development Director	City Attorney has opined that the connection between residential parking permits and short-term vacation rentals is strained, enforcement is tough due to the way certain

		properties are held via corporate entities, and if a property is used as a STVR and gets caught, banning them from getting a residential parking permit in the future would seemingly vitiate future legal use as a long term rental.
Consideration of City to cover initial cost to establish Tourism Improvement District (TID) to be reimbursed by Chamber of Commerce <i>(supported by Detoy, Francois, and Jackson)</i> Initiated by: Council Direction June 25, 2024	City Manager	Staff will meet with Chamber staff in early March to gain clarity on the details of this request—whether loan/investment to be paid back through TID proceeds if successful on the ballot?
