May 27, 2025

SUMMARY

- The City of Hermosa Beach is the recipient of \$109,598 in grant funds from the California Governor's Office of Emergency Services State Homeland Security Program (SHSP). It intends to use these funds to provide physical security enhancements for highly populated crowded areas throughout the City during special occasions and major events.

BACKGROUND

The County of Los Angeles Board of Supervisors accepted the 2022 SHSP grant and has provided a Sub-recipient Agreement (SRA) to the City of Hermosa Beach for the distribution of \$64,598. The grant funds would be used to enhance the cyber security network of the City and add a layer of physical security for large scale events and mass gatherings. Last year, City Council approved the 2023 SHSP SRA for another \$65,000 of grant funds to be used to continue enhancing the security of the City.
