Hello Mayor, Council and Staff -

I wanted to take a moment and send an email regarding the above candidate for Interim City Manager to be reviewed on May 27.

I have know Steve both from his Manhattan Beach City Council tenure and as former District Representative to Supervisor Don Knabe.

As a former resident of Manhattan Beach, (now in South Redondo Beach), I witnessed Steve in action both as a concerned and caring politician and as a friend.

Steve has the qualities you want in a City Representative, smart, number-conscience, experienced with local government and personable. He loves the South Bay and would be a tremendous asset and resource to the City of Hermosa Beach.

Additionally, we own a condo in Hermosa Beach where our daughter lives with her family. I know Steve will have the best intentions of all residents if selected to run City Staff.

Respectfully,

Sherry Kramer
