

PURCHASE OF PEREGRINE TECHNOLOGIES FOR REAL-TIME CRIME CENTER

Police Chief Landon Phillips

June 10, 2025

SUMMARY

- The City of Hermosa Beach secured \$963,000 in federal funding to establish a Real-Time Crime Center (RTCC) aimed at enhancing law enforcement response and community safety.
- The RTCC will integrate cameras, an operating platform, and additional advanced technology on vehicles to provide real-time information for public safety operations.

DISCUSSION

HBPD has multiple data systems

- Not linked together
- Requires significant time, training, and effort to use each program

DISCUSSION

Peregrine is an advanced analytic platform providing a single point of access

- Data integration
- Search & information retrieval
- Advanced analytics
- Data management
- Collaboration
- Access control

- Help address demand for increased transparency

FISCAL IMPACT

Purchase Request

Name	FY 2024-2025 Dept. Account #	Total Amount
Peregrine	150-8685-4201	\$122,815

- RTCC is included in the FY 2024-25 Adopted Budget and recommended purchase will be funded entirely by available remaining budget by the secured federal grant.

RECOMMENDATION

- Staff recommends City Council:
 - Approve a Professional Services Agreement with Peregrine Technologies Inc, for a multi-platform integration software for a one-year subscription term, with an option to pay for a second-year subscription, at a not-to-exceed total amount of \$122,815; and
 - Authorize the City Manager to execute and the City Clerk to attest the proposed agreement, subject to approval by the City Attorney.
