Dear City Council Members.

I'm writing to let you know I'm a big supporter of the Green Business Program. (We've been certified twice!)

The program has been a great resource for us and has helped us purchase paper products and ensure that our air conditioning/heating is maintained properly for optimal efficiency. Our customers appreciate our efforts and we feel it has strengthened our community to be a part of it.

We value this program and hope you will keep it going.

Thank you,

Alisa Wyatt
