Rubberized mat replacement

Discussion

- CIP 504 - \$450,000 overall budget:
 - Purchase of equipment only (\$179,782).
 - Installation separately by qualified contractor.
- Purchase from Landscape Structures, Inc. through Sourcewell cooperative purchase agreement.

Recommendation

Staff recommends City Council authorize the purchase of playground equipment from Landscape Structures, Inc. through a cooperative purchase agreement with Sourcewell in an amount not to exceed \$179,782.
