Hello,

I am not able to make the meeting on 2/03, but want my opinion/vote on record. I love Mickey's Deli, Paisanos, Creme de la Crepe, Zanes, and our other local businesses who bother to keep well maintained and inviting outdoor spaces in our beautiful neighborhood to have residents and visitors alike enjoy the lovely weather. **I do not want their business rental rates increased for using outdoor spaces and recommend decreasing their fees.** These businesses are vital to the quality of life for those living in Hermosa Beach. Please respond to confirm receipt of this email.

Thank you,

Amanda Montoya

Dear City Clerk,

The cost of doing business is incredibly high, causing huge inflation. Now the city is trying to make my \$17 sandwiches cost even more?

Drop the fees to \$0 for Micky's having patios. These kind of challenges hedged out Either Or, Greekos, Thai top, Body Glove, Mermaid, the Bijou, shall I keep going?

Please don't do it to the last remaining HB icons. Please the encourage the decision makers to stop gouging the businesses and indirectly the community.

Budget shortfall? Spend Less.

Thank You,
Chris

Dear Cityclerk,

Please attach to today's agenda:

The patio space encroachment fee for our favorite little business "The Green Store" should be reduced from \$2.50 to \$1.00 per square foot.

Thank you.

This is for Tuesday nights meeting. Please add this . At a time when all businesses are struggling, you are taking long standing businesses and making things even harder for them. They've been the backbone of of this community for so many years. Please reduce their fees. I'm sure there are other ways to bring in money.

Please do not raise the rent for the outdoor patio areas at above mentioned locations and more. These patio areas are wonderful spots for people to enjoy outdoor time while supporting local businesses. I have wonderful memories of my own family having pizza outside at Mickey's. Mickey's was the first place I let my kids grab a pizza and hang out with friends when they were old enough. I spent much of my youth getting sandwiches from the Green Store and eating them just outside. The patio at the Green Store is awesome. I hope that locals and visitors will continue to enjoy these iconic locations.

Thank you,

Linda Derrick

I am opposed to the proposed adjustment of fees being discussed at today's meeting. Considering how many empty properties we have in this city, it seems counter productive to increase the amount of fees or taxes on small businesses .. especially those who have been in the community as long as Mickey's deli. That small patio area would not be leasable to another merchant. If Hermosa Beach is struggling financially, May I suggest you start looking at ways to reduce the spending of the Hermosa Beach government instead of adding another tax or fee on the residents or businesses. I'm pretty sure there's more than enough Doge style cuts that can be made to the city budget. This gives you all the chance to lead by example.

Thank you for taking the time to read and consider this suggestion.

Our businesses run on small profit margins please do not increase any fees on our businesses. If needed, cancel the St Patrick's Day Parade. Do that every few years to save money. Don't put more burden on our long established businesses.
