

CITY OF HERMOSA BEACH
RESOLUTION NO. RES-26-XXXX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HERMOSA BEACH, CALIFORNIA, DIRECTING THE DIRECTOR OF PUBLIC WORKS TO PREPARE A REPORT FOR THE MAINTENANCE, OPERATION, AND SERVICING OF STREET AND SIDEWALK LANDSCAPING, LIGHTING, AND APPURTENANT WORK FOR THE FISCAL YEAR COMMENCING JULY 1, 2026, AND ENDING JUNE 30, 2027, IN ACCORDANCE WITH ARTICLE 4 TO CHAPTER 1 OF THE LANDSCAPING AND LIGHTING ACT OF 1972

WHEREAS, the City Council ("Council") of the City of Hermosa Beach ("City") adopted Resolution No. [] dated [] establishing the Hermosa Beach Landscaping and Street Lighting District ("District") pursuant to the Landscaping and Lighting Act of 1972 (Sections 22500-22679 to Part 2 to Division 15 of the California Streets and Highways Code) ("Act"); and

WHEREAS, the District provides for the installation, maintenance, servicing, and operation of public landscaping, street lighting, traffic signals, and appurtenant improvements within the boundaries of the District ("Improvements and Services"); and

WHEREAS, the Council must approve the annual enrollment of assessments within the District to pay the costs and expenses of the Improvements and Services.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HERMOSA BEACH, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. Recitals. The recitals above are true and correct, and are hereby incorporated herein by this reference.

SECTION 2. Preparation of Engineer's Report. The Council hereby directs the Director of Public Works to prepare and file an Engineer's Report for the Improvements and Services within the District for the Fiscal Year commencing July 1, 2026, and ending June 30, 2027, in accordance with Article 4 to Chapter 1 of the Act.

SECTION 3. California Environmental Quality Act (“CEQA”). The City Council finds the following pursuant to the CEQA Guidelines:

a. Section 15378. Adoption of this Resolution is not a “project” within the meaning of Section 15378 because it constitutes an administrative and fiscal action directing preparation of an Engineer’s Report, and initiating annual assessment proceedings does not authorize or approve any specific physical change to the environment.

b. Section 15301 (Class 1 – Existing Facilities). The action is exempt from CEQA even if this action were deemed a “project” pursuant to Section 15301 because it involves the continued maintenance, operation, and servicing of existing public landscaping, lighting, traffic signals, and related improvements with no expansion of existing use.

c. Section 15061(b)(3) (Common Sense Exemption). The action is exempt from CEQA pursuant to Section 15061(b)(3) because it can be seen with certainty that there is no possibility that adoption of this Resolution may have a significant effect on the environment.

d. Section 15300.2. None of the exceptions set forth in Section 15300.2 apply.

SECTION 4. Severability. If any part of this Resolution or its application is deemed invalid by a court of competent jurisdiction, the Council intends that such invalidity will not affect the effectiveness of the remaining provisions or applications; and, to this end, the provisions of this Resolution are severable.

SECTION 5. Certification. The City Clerk shall certify to the passage and adoption of this Resolution; cause the same to be entered among the original resolutions of the City; and make a minute of the passage and adoption thereof in the records of the proceedings of the Council in the minutes of the meeting at which time same is passed and adopted.

SECTION 6. Effective Date. This Resolution will become effective immediately upon adoption.

PASSED, APPROVED, and ADOPTED on this 10th day of March 2026.
