Option 2A: Schumacher Plaza - Lighted Wall

- Build a lighted wall for the plaques surrounding the Tim Kelly Statue from the cement base. (approximately 58' long – rough estimate)
- Height TBD but below average eye level.
- Plaques would only include the name of the inductee, the category, and the year.

Option 2B: Schumacher Plaza – Ground Mounted

- Place plaques surrounding the Tim Kelly statue base into the ground.
- Plaques could surround the statue like a circle or be placed only in the front as a half circle.
- Plaques would only include the name of the inductee, the category, and the year.
