**\*Please read the following TERMS and CONDITIONS, and sign where indicated to accept this proposal:**

**M3 GENERAL TERMS AND CONDITIONS**

**Payment Terms** M3 requires a deposit equal to 50% of the total order. The balance is due **upon receipt** of invoice. Credit card purchases require that 100% be charged to the card at the time of order placement. All credit card transactions that are \$75,000 and above will be charged a 3% convenience fee.

If any products are unacceptable or undeliverable, the invoiced dollar amount for those items **only** may be withheld until satisfactorily resolved. The dollar amount for the balance of delivered and accepted product remains due upon receipt of invoice. The product on this order is not intended for resale. The warranty is valid for the original customer only and is **not** transferable with resale.

Delays at the customer's site that require holding or re-routing of products will result in double-handling and/or storage charges. Product requiring storage will be invoiced at the commencement of storage and must be paid in full upon receipt of invoice. On-going storage charges will apply.

**Changes/Cancellations** All goods sold by M3 are from Quick Ship Programs or from manufacturer's standard lead times. Changes and or cancellations are not allowed on products ordered from Quick Ship Programs. Standard lead-time products are subject to the manufacturer's terms and conditions. Cancellation fees are also subject to restocking charges by the manufacturer. Custom items are **not** subject to change or cancellation after order placement.

**Installation and Delivery** Installation quotes are based on all work being performed during normal working hours, Monday through Friday, 8:00 a.m. to 5:00 p.m., unless otherwise specified. Labor rates are based on single 8-hour shifts. All work will be quoted as non-union labor unless otherwise requested by the client.

The installation price is based on installing products per the specifications, drawings and site conditions made known to M3 at time of quotation. Prices are predicated on "free and clear" site conditions and elevator/loading dock access.

Low-voltage phone/data cable and electrical hard wiring services are not included in M3's scope of work.

**Acts Beyond Reasonable Control** M3 shall not be considered in default of any of its obligations under terms of our purchase order to the extent that the performance thereof is delayed or rendered impossible by acts of God, civil commotion, fire, earthquake, flood, explosion, strikes, walkouts, other industrial disturbances or any other cause that is beyond our reasonable control.

NOTICE: TSCA Title VI compliant for formaldehyde.

By your signature below, you confirm that you have read and understood the above
