**CIRCUMSTANCES/INVESTIGATIONS:**

The Hermosa Beach Police Department and Department of Alcoholic Beverage Control received complaints about the premises called Pedones Pizza, located at 1332 Hermosa Avenue, Suite 10, Hermosa Beach, CA 90254. The complainant(s) alleged the premises allowed the sale and consumption of alcohol afterhours.

The premises holds a Type-41 License: **ON SALE BEER & WINE – EATING PLACE** - (Restaurant) which authorizes the sale of beer and wine for consumption on or off the premises where sold. Distilled spirits may not be on the premises (except brandy, rum, or liqueurs for use solely for cooking purposes). Must operate and maintain the licensed premises as a bona fide eating place. Must maintain suitable kitchen facilities and must make actual and substantial sales of meals for consumption on the premises. Minors are allowed on the premises and is licensed to Sribney, Michael Dennis. The premises does not have any recent disciplinary history with the Department.

On Sunday, August 20, 2023, at approximately 0152 hours, Officer S. DeAndrade #236 from the Hermosa Beach Police Department, and I (Agent M. Connolly #1191) arrived at Pedones Pizza in an undercover capacity to investigate the above-mentioned complaint for the sales and consumption of alcohol after permitted hours (afterhours) and any other violations (criminal and administrative).

Supervising Agent B. Delarosa #1049 and Hermosa Beach Police Department personnel (Detective Zuber #206, Officer McBride #238, Officer Aguirre #245, Officer F. Reyes #242, and Officer I. Reyes #243) were our outside cover team.

We walked inside the premises through the main entrance located on the west side of the premises. The premises was busy with approximately 25-30 patrons inside. I noticed these patrons were eating and drinking. Some of the patrons were drinking an amber fluid from clear pint glasses. I formed the opinion that these patrons were drinking beer. Behind the fixed bar, I saw the on-duty bartender, later identified through her California Driver License # F4833426 as Vachon, Kelsey Ida. As we stood inside, I saw more patrons enter the premises. A few minutes later, we exited the premises.

After exiting the premises, we stood on the sidewalk near the southeast corner of the outside license parklet area. I saw approximately 5-10 patrons drinking an amber fluid from clear pint glasses inside the parklet area. As we stood there monitoring the area, I saw more patrons enter the premises. I could see inside the premises through the large windows that face Hermosa Avenue. The large exterior windows of the premises were clean and not obscured by any advertisements or other items. Anyone looking through these windows would have a direct view of the premises' interior (see Google map snip below). I saw more patrons ordering and consuming alcoholic beverages.

A Google map snip of the front of Pedones Pizza facing Hermosa Avenue and parklet, including an blue arrow pointing at the walkway located on the south side of the premises (February 2021).

Officer DeAndrade and I moved over to the walkway located on the south end of the portion premises. There is a door located on the south end of the premises that leads into this walkway. This door was propped open, and I could see inside the premises, including the fixed bar area (see picture below and attachments #1 and #2 for more information).

A picture of the propped open door located on the south side with a view of the interior of the premises, taken by Agent M. Connolly at approximately 0204 hours on August 20, 2023.

At approximately 0205 hours, I saw Vachon fill a pint glass with an amber fluid from a beer tap. I watched Vachon serve this glass to an unknown patron at the fixed bar. I told Officer DeAndrade that I would enter the premises and attempt to order a beer from Vachon.

At approximately 0207 hours, Officer DeAndrade and I re-entered the premises. I approached the fixed bar and stood next to an unidentified white patron. Vachon stood in front of the unidentified patron and me. The unidentified patron stated he wanted to order a beer. I told Vachon that I wanted a beer, too. Vachon looked in my direction and said, "I shouldn't do this." I told her, "I just want a Mango Cart" (beer). Vachon asked the unidentified white patron for his drink order. The unidentified patron said he wanted a Goose Island Brewery IPA (Indian Pale Ale) Beer. Vachon pointed at me and asked me for my drink order. I replied, "Mango Cart" (Golden Road Brewing Mango Cart Beer). I watched as Vachon turned around to face the beer taps and then grabbed two (2) pint glasses. Vachon proceeded to fill a pint glass with Goose Island IPA Beer from a clearly marked beer tap. Vachon then filled another pint glass with Mango Cart Beer from a clearly marked beer tap. Vachon turned back around and placed the pints of beer on the fixed bar.

Vachon told the unidentified patron the price. The unidentified patron paid Vachon for his pint of beer using a credit or ATM card. After paying for his beer, the unidentified patron walked away from the fixed bar. At approximately 0209 hours, Vachon served me my pint of Mango Cart Beer and stated the price (\$9.00). At approximately 0210 hours, I paid Vachon in cash (U.S. Currency) for my pint and beer. I took a sip of the pint in front of Vachon. I verified the drink was an alcoholic beverage by smell and taste, showing the premises was exercising the privilege of their ABC license. I walked away from the fixed bar. Officer DeAndrade and I sat at a table on the premises' west side. At 0211 hours, I advised my outside team of the violation. While I sat at this table, I continued to consume my pint of beer. I saw other patrons consuming an amber fluid from clear pint glasses. I took pictures of these patrons drinking at tables and the fixed bar (see pictures below).

At approximately 0225 hours, Officer DeAndrade and I walked up to the fixed bar. I approached Vachon and asked if I could order a pizza. Vachon stated that the kitchen was closed, and she would not take any more food orders. While speaking with Vachon, I took snips from my pint of Mango Cart Beer. Vachon had a clear and unobstructed view of my actions. I never heard Vachon make any last call or stop consuming alcohol announcement(s). Officer DeAndrade used my Department issued iPhone and took two (2) pictures of me drinking my Mango Cart Beer in front of Vachon (see pictures below).

Two (2) pictures of Agent Connolly consuming his Mango Cart Beer at the fixed in front of bartender Vachon. Officer DeAndrade took both pictures at approximately 0225 hours on August 20, 2023.

At approximately 0227 hours, Supervising Agent Delarosa texted me stating that the outside cover team (ABC and Hermosa Beach Police Department personnel) would enter the premises and contact Vachon. I advised Supervising Agent Delarosa to take pictures of the patrons drinking in the outside parklet area.

As he approached the premises, Supervising Agent Delarosa took pictures of patrons with pint glasses filled with an amber fluid resembling beer (see pictures below). It should be noted that looking through exterior/interior windows, Officer Deandrade and I saw some of the patrons drinking from their pint glasses.

The outside cover team entered the premises. Supervising Agent Delarosa was wearing a high-profile raid vest, which clearly stated Police on the front and back. Hermosa Beach Police Department personnel were all wearing full regulation uniforms. Supervising Agent Delarosa contacted Vachon and identified himself as a Police Officer with the Department of Alcoholic Beverage Control.

Supervising Agent Delarosa later told me the following information about his conversation with Vachon: Vachon confirmed she was the on-duty bartender/server and was in charge for the night. She has been working at the premises for one (1) week. Vachon said her last beer sale was at approximately 0140 hours. Vachon said she did not know she could not allow consumption of alcohol after 0200 hours. Supervising Agent Delarosa advised Vachon to stop selling and allowing the consummation of alcohol after 0200 hours. Supervising Agent Delarosa gave Vachon his business card. The conversation ended.

I continued to drink my pint beer. At approximately 0242 hours, Officer DeAndrade and I exited the premises.

All times were taken from my Department issued iPhone.

**ADMINISTRATIVE FILINGS:**

Based on the above, I am requesting administrative filings against the licensee/premises for the violation of the following:

**Business and Professions Code**

- 25631 Business and Professions Code: Selling Alcohol After Permitted Hours
- 25632 Business and Professions Code: Allowing the Consumption of Alcohol After Permitted Hours

**ADDITIONAL INFORMATION:**

On Sunday, August 20, 2023, at approximately 1724 hours, Supervising Agent Delarosa received an email from Vachon. In the email, Vachon wrote the following:

*Benjamin,*

*This is Kelsey - the server from Pedone's from last night. I just wanted to send an email to reiterate what I said last night when you came in.*

*First off, I'm sorry to both your dept and feel really terrible about putting this stress on the manager that gave me a chance - especially with a business that's been around for as long as theirs.*

*The girl who typically works nights - her mom passed away and I guess that's the reason I was put into the night shift. Besides the training day, last night was only my 4th shift at the restaurant (and as a bartender in general). My manager sent me a text the day before that said "drinks need to be pulled off by 1:55" which I misunderstood as I wasn't able to clear any tables from those drinks, in which I feel really stupid about.*

*The ticket machine in the kitchen broke unknowingly and there were so many people waiting for what normally would be 6 min for slices for over 30 min - hence the amount of people inside. so I went to figure that out so we could get the paying customers their food and get them out of the building. My judgement to backtrack food orders delayed bussing out the used glasses - although with my misjudgement I didn't realize those old glasses on the tables were meant to be out of sight / cleared off so people couldn't do any sort of consumption. Again, I feel like I accidentally messed up so royally. I was just trying to get those people their slices so they could leave.*

*I apologize and this situation will never happen again. I can't speak for the food tickets but I will never not prioritize bussing glasses at that time of night ever, ever again. I told the manager he can fire me over this but the damage has already been done. I cannot apologize for the entirety of the situation enough, especially to my manager because he put his trust in me.*

On Tuesday, September 6, 2023, I called Vachon at her provided number. During our brief conversation, Vachon told me the following: she had worked three (3) shifts at Pedones Pizza. She recently completed the Responsible Beverage Service (RBS) Training Program. Vachon stated that she had previously worked as a server and bartender in another state. When asked, Vachon said she had been living in California for over 11 years and did not know on-sales consumption of alcohol ended at 0200 hours. When questioned further, Vachon stated the night in question, she was overwhelmed by so many people (patrons) inside the premises. The conversation ended.

On Wednesday, September 6, 2023, I received an email from Plata, Yunuen, Public Service Officer Supervisor from the Hermosa Beach Police Department. The email was to Axon Evidence.com - Case Download Link. This link was to the body worn camera footage from the Hermosa Beach Police Department personnel that responded to Pedones Pizza on Sunday, August 20, 2023.

I downloaded the video files. These video files were later transferred to an Efrain USB thumb drive. The Enfrain thumb drive was logged and booked under Department Report #23-03-050 and secured in the Evidence Room of the Lakewood District Office by me (see attachment #4)

Good morning and thank you for getting back to me.

I am not sure what action we will be taking with the violation from this past weekend. However, we can include your email as part of the report.

Can you confirm how many years experience you have as an alcohol server or bartender?

I checked the ABC RBS (Responsible Beverage Service) portal and I don't see you as certified? I have included the link below for you in this email, so you can review the RBS site requirements and determine if you need the certification.

Also, I have cc'd the investigating agent on this email for his reference.

Benjamin,  
This is Kelsey - the server from Pedone's from last night. I just wanted to send an email to reiterate what I said last night when you came in.

First off, I'm sorry to both your dept and feel really terrible about putting this stress on the manager that gave me a chance - especially with a business that's been around for as long as theirs.

The girl who typically works nights - her mom passed away and I guess that's the reason I was put into the night shift. Besides the training day, last night was only my 4th shift at the restaurant (and as a bartender in general). My manager sent me a text the day before that said "drinks need to be pulled off by 1:55" which I misunderstood as I wasn't able to clear any tables from those drinks, in which I feel really stupid about.
