

## **MODEL FILM ORDINANCE (FILML.A. REV.)**

Many California cities, counties and special districts have adopted this ordinance to ensure uniform film ordinances and permit processes throughout the State. The Model Filming Ordinance is not intended to address the circumstances of each local jurisdiction but provides general guidance for ensuring film friendly policies in a community.

The California Film Commission (CFC) reviews all local ordinances and provides comments to government to ensure uniform procedures for issuing film permits. A local government is required to submit any draft filming ordinance or amendments to the CFC 30 days prior to adoption as per Government Code 14999.21. The CFC will review all drafts and provide comments within five working days. The CFC sees that only reasonable costs are charged to film companies for use of public property or services.

This version has a couple of modifications to reflect the lessons FilmL.A. has learned from the industry and communities over the years.

If the applicant fails to correct the violation, the city/county may revoke the permit and all activity must cease.

#### FILMING REGULATIONS:

See Guidelines for Best Practices in Film Regulations and Policies.

FilmL.A.: We do NOT recommend making these part of a municipal code as these regulations and policies need to be more flexible and may change more frequently than the proposed Ordinance above.
