Item: b. REPORT 21-0468 ORDINANCE TO REQUIRE PROPERTY OWNERS TO REPAIR THE SIDEWALK AREA ABUTTING THEIR REAL PROPERTY (City Attorney Michael Jenkins)

eComment: Everything about this proposal is unacceptable. Maintenance of the sidewalks, curbs and gutter should continue to be the responsibility of the City Public Works Dept to keep constancy in workmanship and quality and funded by tax dollars. I can't even begin to imagine an average homeowner trying to take on the replacement of these items by themselves to the proper standards, let alone an elderly resident, and making them subject to a misdemeanor if not done. There are utility easements under and or near sidewalks that the Public Works Dept knows how to deal with. Throwing this responsibility back to individuals to do is a disaster waiting to happen and a bad idea. There is already a proven process in place to get work like this done to a specific standard and that is through the Public Works Dept.
