Item: b. REPORT 21-0468 ORDINANCE TO REQUIRE PROPERTY OWNERS TO REPAIR THE SIDEWALK AREA ABUTTING THEIR REAL PROPERTY (City Attorney Michael Jenkins)

eComment: I am writing to state my opposition to the sidewalk ordinance that you are considering for Hermosa Beach. I would like to let you know how opposed I am to your suggestion that property owners are to be responsible for maintaining our sidewalks in front of our homes and take on the liability if someone were to get hurt. This is ludicrous and completely unacceptable. If this were to pass, I will be sure to block off my sidewalk from ppl passing by my house since I will be financially responsible for it anyway. Please reconsider this proposal and find another way for Hermosa Beach to take advantage of our homeowners! This is an extra burden to all after the Covid Virus shut down the city and the extra expense is not an option for many of us at this time. The city needs to continue to take care of its responsibilities and not push that off on the property owners. It will also take more time for the city to have to police the areas that are needing repairs and ticketing the property owners. In the long run this will cost the city more money that previously spent. So again, I am opposed to your new ordinance and hope that city does the right thing by not passing this!
