42. How is the project consistent with, and meet the goals of, the City's General Plan? The General Plan can be found at <https://www.hermosabeach.gov/our-government/community-development/plan-hermosa>.

Our proposed mural project for the front of our salon will stay consistent with the goals of the city's general plan by maintaining a small beach town feel with our proposed "Heart," mural that will cover the salon. Our salon portrays a youthful, boutique beach feel that makes Pier ave what it is, vibrant, colorful, and unique.
