**Subject:** 4/6 Special Planning Commission Meeting- Drive Throughs and Due Process

Dear Council Members and Commissioners:

I would like to request that Hermosa copy Long Beach's ordinance for drive-through locations placing them in shopping centers or by freeways.

I would also like to request that the length of notices of hearing with the Planning Commission be substantially extended to make it fair for everyone, as ten days notice is insufficient when the city doesn't even produce documents within 30 days, as this does not provide due process, so that we can gain information about projects and then make educated comments to the commission.

Thank you for your time, attention and consideration.

Sincerely,  
Armen Kazanchian  
Hermosa Beach Resident
