New eComment for Planning Commission Virtual Meeting

Pratik Basu submitted a new eComment.

Meeting: Planning Commission Virtual Meeting

Item: a. REPORT 20-0265 Written Communications

eComment: I oppose the proposed project that is slated for the current space occupied by Abigail and Paul's Guitar Shop on the grounds that these are the types of ground-level spaces that the City Council had envisioned being open to the public and community interaction, as well as the fact that the project does not meet the standards of the California Clean Air Act. Thank you for your time and consideration.
